**NOR'EASTER**  
MULTI-PURPOSE COMBINATION DUMP BODY/SPREADER

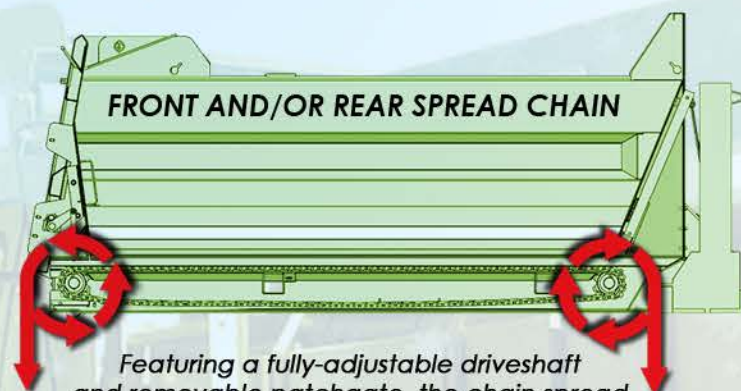

# CONCORD

ROAD EQUIPMENT, MFG.

348 CHESTER ST., PAINESVILLE, OH. 44077

1(800)-942-ROAD (7623)

Since 1976, Concord Road Equipment has offered rugged and dependable products in a wide range of service applications. The Nor'Easter™ continues this tradition by offering the dependability, durability, and versatility needed for the demanding road ahead.

FRONT AND/OR REAR SPREAD CHAIN

Featuring a fully-adjustable driveshaft and removable patchgate, the chain spread conveyor allows consistent material coverage.

DUAL AUGER REAR SPREAD

Featuring long life and ease of maintenance, our dual auger platforms offer precise material delivery with variable-pitch flights.

1 Rear apron access panels for removing or repairing chains are a standard feature on every Nor'Easter™

2 Removable patch gate & summer door for non-spreading applications.

3 Hydraulic motors coupled to gearbox drives reduce wear while allowing accurate material delivery.

4 Fully adjustable, heavy-duty conveyor chain with enclosed adjusters.

5 Bolt-in, replaceable, heavy-duty AR steel floor with standard upper & lower rubber wipers.

6 Standard enclosed adjuster bearings protected by easy access panels.

7 Lighting provisions as required.

1 Hard-faced, variable pitch twin-auger material delivery.

2 Removable access panel allows easy access to greased bearings for quick maintenance.

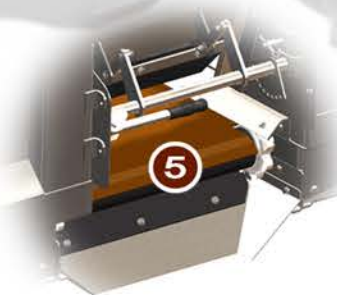

3 Optional sloped tailgate

4 Standard Air-Control tailgate and access panel.

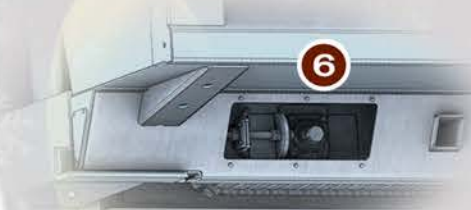

5 Optional side-saddle liquid tanks available featuring 200 to 500 gallon capacity.

6 Several spinner options available.

7 Lighting provisions as required.

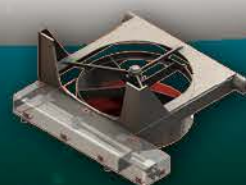

Extreme Duty Lane Control Spinner

Hide-Away Spinner stows under chassis for convenience.

Adjustable front spread spinner box & chute

Bolt-on spinner with integral bumper

The Nor'Easter is a versatile, dependable workhorse, manufactured in a wide array of standard sizes. Let us know what's right for you. Give us a call today! 1(800)-942-ROAD (7623)
